### Important Account Information

(A) If your Premier Checking account is converted to another checking product or closed by us or you, all linked accounts are delinked from the Premier Checking account and effective immediately, benefits no longer apply, including benefits to your now delinked accounts. You'll no longer receive discounts, options to avoid fees on other products or services, or the Relationship Interest Rate; for time accounts (CDs), this change will occur at renewal. Your delinked accounts will revert to the Bank's current applicable interest rate or fee at that time. (B) If you or we delink an account from your Premier Checking account but other accounts remain linked, the loss of all benefits and the other consequences described above in (A) will immediately apply to the delinked account. ### Other Wells Fargo Benefits

It's Cybersecurity Awareness Month. Look out for these tell-tale signs to help spot an imposter scam.

Imposters may contact you with a message that:

- is unexpected.
- appears to be from a legitimate source but could be spoofed.
- claims to be urgent and asks you to act right away.
- uses language that manipulates your emotions.
- asks you to pay in an unusually specific way such as gift cards, cryptocurrency or payment apps.

Remember, caller ID can be spoofed, emails can be faked, voices can be cloned, and images can be altered. If you have doubts about the message call the company or government agency directly to find out if there really is a problem. And if they're impersonating Wells Fargo, call us right away or you can always check your account in the Wells Fargo Mobile® app\* or online banking.

## Important Information You Should Know

- To dispute or report inaccuracies in information we have furnished to a Consumer Reporting Agency about your accounts:

Wells Fargo Bank, N.A. may furnish information about deposit accounts to Early Warning Services. You have the right to dispute the accuracy of information that we have furnished to a consumer reporting agency by writing to us at Overdraft Collection and Recovery, P.O. Box 5058, Portland, OR 97208-5058. Include with the dispute the following information as available: Full name (First, Middle, Last), Complete address, The account number or other information to identify the account being disputed, Last four digits of your social security number, Date of Birth. Please describe the specific information that is inaccurate or in dispute and the basis for the dispute along with supporting documentation. If you believe the information furnished is the result of identity theft, please provide us with an identity theft report.

- If your account has a negative balance:

Please note that an account overdraft that is not resolved 60 days from the date the account first became overdrawn will result in closure and charge off of your account. In this event, it is important that you make arrangements to redirect recurring deposits and payments to another account. The closure will be reported to Early Warning Services. We reserve the right to close and/or charge-off your account at an earlier date, as permitted by law. The laws of some states require us to inform you that this communication is an attempt to collect a debt and that any information obtained will be used for that purpose.

- In case of errors or questions about your electronic transfers:

Telephone us at the number printed on the front of this statement or write us at Wells Fargo Bank, P.O. Box 6995, Portland, OR 97228-6995 as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

- In case of errors or questions about other transactions (that are not electronic transfers):

Promptly review your account statement within 30 days after we made it available to you, and notify us of any errors.

- Early Pay Day information

With Early Pay Day, we may make funds from certain eligible direct deposits available for your use up to two days before we receive the funds from your payor. The Bank does not guarantee that any direct deposits will be made available before the date scheduled by the payor, and early availability of funds may vary between direct deposits from the same payor. When funds are made available early, this will be reflected in your account's available balance. Direct deposits made available early with Early Pay Day will not increase your account's ending daily balance, and will not count towards applicable options to avoid your account's monthly service fee, until the deposit posts to your account and is no longer pending (e.g., the pay date scheduled by your payor). Determinations about whether we will authorize and pay transactions and assess overdraft fees are based on an account's available balance. For example, using funds added to your available balance by Early Pay Day may lead to a negative ending daily balance showing on your account and statement while your available balance remains positive and no overdraft fees or returned items result. For interest-bearing accounts, interest on your incoming direct deposit will begin accruing on the business day we receive credit for the deposit from your payor's bank. For additional information about Early Pay Day, please refer to your Deposit Account Agreement.
