#### Important Account Information

(A) If your Premier Checking account is converted to another checking product or closed by us or you, all linked accounts are delinked from the Premier Checking account and effective immediately, benefits no longer apply, including benefits to your now delinked accounts. You'll no longer receive discounts, options to avoid fees on other products or services, or the Relationship Interest Rate; for time accounts (CDs), this change will occur at renewal. Your delinked accounts will revert to the Bank's current applicable interest rate or fee at that time. (B) If you or we delink an account from your Premier Checking account but other accounts remain linked, the loss of all benefits and the other consequences described above in (A) will immediately apply to the delinked account. Benefits available to your Premier Checking account and any remaining linked accounts will continue.

## Important Information You Should Know

- To dispute or report inaccuracies in information we have furnished to a Consumer Reporting Agency about your accounts:

Wells Fargo Bank, N.A. may furnish information about deposit accounts to Early Warning Services. You have the right to dispute the accuracy of information that we have furnished to a consumer reporting agency by writing to us at Overdraft Collection and Recovery, P.O. Box 5058, Portland, OR 97208-5058. Include with the dispute the following information as available: Full name (First, Middle, Last), Complete address, The account number or other information to identify the account being disputed, Last four digits of your social security number, Date of Birth. Please describe the specific information that is inaccurate or in dispute and the basis for the dispute along with supporting documentation. If you believe the information furnished is the result of identity theft, please provide us with an identity theft report.

- If your account has a negative balance:

Please note that an account overdraft that is not resolved 60 days from the date the account first became overdrawn will result in closure and charge off of your account. In this event, it is important that you make arrangements to redirect recurring deposits and payments to another account. The closure will be reported to Early Warning Services. We reserve the right to close and/or charge-off your account at an earlier date, as permitted by law. The laws of some states require us to inform you that this communication is an attempt to collect a debt and that any information obtained will be used for that purpose.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10 business days to do this, we will credit your account for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation.

- In case of errors or questions about other transactions (that are not electronic transfers):

Promptly review your account statement within 30 days after we made it available to you, and notify us of any errors.
