### Important Account Information

(A) If your Premier Checking account is closed or converted to another checking product, all linked accounts are delinked from the Premier Checking account and effective immediately, your Premier Checking relationship benefits no longer apply, including associated benefits to your now delinked accounts. You'll no longer receive discounts, options to avoid fees on other products or services, or the Relationship Interest Rate. Your delinked accounts will revert to the Bank's current applicable interest rate or fee at that time. For time accounts (CDs), this change will occur at renewal. (B) If you or we delink an account from your Premier Checking account, but other accounts remain linked, the loss of all benefits and the other consequences described above in (A) will immediately apply to the delinked account. Benefits available to your Premier Checking account and any remaining linked accounts will continue.

### Other Wells Fargo Benefits

Beware of bank impersonation scams.

Five signs that you're speaking to a scammer posing as Wells Fargo:

1. You're asked to provide your online banking password, PIN, or a verification code. Wells Fargo will not contact you and request this.
2. You're told you need to return your card, wire money, make a cash withdrawal, purchase a cashier's check, or deposit money at a crypto or bank ATM. Wells Fargo will never ask you to move or send money in any form to another account or a person to protect it.
3. You're advised to keep the conversation secret due to an "investigation" or for your protection.
4. The person you're talking to will not allow you to end the call or text. A real Wells Fargo employee would not pressure you to continue a conversation.
5. You're given exact steps for how to complete a transaction, including how to respond to any bank employee questions.

When in doubt, check it out. Contact us to verify any transactions or suspicious contact. You're in charge when it comes to your money. Learn more at [wellsfargo.com/nophishing](http://wellsfargo.com/nophishing).
