### Important Account Information

(A) If your Premier Checking account is converted to another checking product or closed by us or you, all linked accounts are delinked from the Premier Checking account and effective immediately, benefits no longer apply, including benefits to your now delinked accounts. You'll no longer receive discounts, options to avoid fees on other products or services, or the Relationship Interest Rate; for time accounts (CDs), this change will occur at renewal. Your delinked accounts will revert to the Bank's current applicable interest rate or fee at that time. (B) If you or we delink an account from your Premier Checking account but other accounts remain linked, the loss of all benefits and the other consequences described above in (A) will immediately apply to the delinked account. Benefits available to your Premier Checking account and any remaining linked accounts will continue.
